## **DETAILED ACTION**

### ***Response to Amendment***

1. Due to Applicant's amendments, all previous objections to the claims are hereby withdrawn. In addition, new claims 16-38 do not appear to be guilty of recapture, however the issues outlined in ¶2 below must be satisfied before a final review of the claims can be performed.

### ***Oath/Declaration***

2. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

Claims 1-34 are rejected as being based upon a defective reissue Declaration under 35 U.S.C. 251. See 37 CFR 1.175 because a supplemental Declaration is needed for the amendment to the claims subsequent to when the last declaration was filed, that includes the clause shown below.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

***Allowable Subject Matter***

3. Claims 1-15 are allowed.
